

Flexera SaaS Manager Release Notes

December 2017 - May 2018

Introduction	1
Release History	2
Legal Information	5

Introduction

Flexera SaaS Manager integrates with a large group of SaaS applications, providing unparalleled business intelligence about when and how your users are interacting with the SaaS products licensed within your organization. Flexera SaaS Manager helps you discover, manage, optimize, and secure your SaaS subscriptions and identifies any unused, underused, or abandoned licenses, helping you rein in runaway spend.
