## Introduction

Flexera SaaS Manager integrates with a large group of SaaS applications, providing unparalleled business intelligence about when and how your users are interacting with the SaaS products licensed within your organization. Flexera SaaS Manager helps you discover, manage, optimize, and secure your SaaS subscriptions. It also identifies any unused, underused, or abandoned licenses, to help you rein in runaway spend.

# New Features and Enhancements

This release of Flexera SaaS Manager includes the following new features and enhancements:

Feature or Enhancement Summary	Release Date	Reference Number(s)
